Safety Data Sheet (SDS)

Revision Number: <b>3.0</b>		Last updated	31 July 2019	
1. Product and Company Identification				
Product Name:	<b>Tat-C</b> (48-57) <i>H - CGR KK</i>	7) KR RQR RR - OH		
Manufacturer/Supplier:	AnaSpec, In			
	www.anaspe			
	34801 Camp			
	Fremont, CA			
	Tel: 510-791			
	Fax: 510-79			
	Email: servi	ce@anaspec.com		
	Kaneka Euro	ogentec SA,		
	Rue du Bois	Saint Jean 5 4102 Seraing Belgium		
	Tel. +32-4-3	727400		
	Fax. +32-4-3	3727500		
	E-mail info@	@eurogentec.com		
	Kaneka Euro	ogentec Helpdesk		
	Tel. +32-4-3	727665		
Catalog Number	AS-62063			
Relevant identified uses of the substance/preparation and uses advised	For laborato	ry use only.		
against				
Emergency information	Please conta	ct the regional Eurogentec representa	tion in your	
	country or K	Caneka Eurogentec S.A. directly (from	m 8 am to 6	
	pm)			
2. Hazards Identification				
		lling all chemicals with caution. Use pro To our knowledge, the hazards of this mater		
		nce according to the GHS ngerous substance according to the GHS		
GHS Signal Words: None				

GHS Hazard Statements: None

GHS Precautionary Statements: None

Potential Health Effects for:

Inhalation: If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give

oxygen. Good hygiene practice requires that exposure be kept to a minimum and that suitable control

measures be used in an occupational setting.

Ingestion: If swallowed, wash out mouth with water provided person is conscious. Call a physician.

Skin: In case of contact, immediately wash skin with soap and copious amount of water.

Eyes: In case of contact, immediately flush eyes with copious amounts of water for at least 15 minutes.

Chronic Exposures: No information available. We recommend limiting prolonged exposure.

Target Organs: No information available

HMIS Classification

Health hazard: 0

Chronic Health Hazard: 0

Flammability: 0
Physical hazards: 0

NFPA Rating

Health hazard: 0

Fire: 0

Reactivity Hazard: 0

3. Composition

Ingredients/Components:

Chemical Name: Tat-C(48-57)

H - CGR KKR RQR RR - OH

Molecular formula: NA Molecular weight: 1499.9

CAS-No NA EC-No NA

# 4. First Aid Measures

Inhalation:	If dust is inhaled, remove from contaminated area.
innatation.	
	Encourage patient to blow nose to ensure clear passage of breathing.
	If irritation or discomfort persists seek medical attention.
Ingestion:	If swallowed do <b>NOT</b> induce vomiting.
	If vomiting occurs, lean patient forward or place on left side (head-down position, if possible) to
	maintain open airway and prevent aspiration.
	Observe the patient carefully.
	Give water to rinse out mouth, then provide liquid slowly and as much as casualty can comfortably
	drink.
	Seek medical advice.
Skin:	If skin or hair contact occurs:
	Flush skin and hair with running water (and soap if available).
	Seek medical attention in event of irritation.
Eyes:	If this product comes in contact with the eyes:
•	Wash out immediately with fresh running water.
	Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the
	eyelids by occasionally lifting the upper and lower lids.
	If pain persists or recurs seek medical attention.
	r r

77	<u>sures</u>	Type C	
Extinguishing media:		Water spray or fog.	
		Alcohol resistant foam.  Dry chemical powder.	
		BCF (where regulations permit).	
		Carbon dioxide	
		Caroon dioxide	
Special firefighting pro	cedures:	Alert Emergency Responders and tell them location and nature of	
		hazard.	
		Wear breathing apparatus plus protective gloves.	
		Prevent, by any means available, spillage from entering drains or water course.	
		Use water delivered as a fine spray to control fire and cool adjacent	
		area.	
		<b>DO NOT</b> approach containers suspected to be hot.	
		Cool fire exposed containers with water spray from a protected location.	
		If safe to do so, remove containers from path of fire.	
		Equipment should be thoroughly decontaminated after use.	
Unusual fire and explosions hazards:		Emits toxic fumes under fire conditions	
6. Accidental Release	Measures		
Spill response	Remove al	Il ignition sources.	
	Clean up all spills immediately.		
	Avoid contact with skin and eyes.		
		ersonal contact by using protective equipment.	
	Use dry cl	ean up procedures and avoid generating dust.	
	Place in a	suitable, labeled container for waste disposal	
Containment	Place in a Avoid all 1	suitable, labeled container for waste disposal personal contact, including inhalation.	
Containment	Place in a Avoid all j Wear prote	suitable, labeled container for waste disposal personal contact, including inhalation. ective clothing when risk of exposure occurs.

**Toxicity** 

No information available.

Health Hazards	Although ingestion is not thought to produce harmful
	effects, the material may still be damaging to the
	health of the individual following ingestion, especially
	where pre-existing organ (e.g. liver, kidney)
	damage is evident. In an occupational setting however,
	ingestion of insignificant quantities is not thought to be
	cause for concern.
Potential Hazards	Not available
Carcinogenicity:	No significant acute toxicological data identified
OSHA Permissible Exposure Limit(PEL) Data	N/A
ACGIH Threshold Limit Values (TLV)	N/A
(12)	- "

Reproductive Toxicity:

No information available

## 12. Ecological Information

No information available.

## 13. Disposal Considerations

All waste must be handled in accordance with local, state and federal regulations. Legislation addressing waste disposal requirements may differ by country, state and/ or territory. Each user must refer to laws operating in their area. In some areas, certain wastes must be tracked.

## 14. Transport Information

-	
Hazard Class	N/A
Identification Number	N/A
Packing Group	N/A
Proper Shipping Name (DOT)	N/A

#### 15. Regulatory Information

California Proposition 65: N/A

US TSCA (Toxic Substance Control Act): N/A

US CERCLA (Comprehensive Environmental Response, Compensation, and Liability Act: N/A

US SARA Title III (Superfund Amendments and Reauthorization Act: N/A

US Other: N/A

EC EINICS (European Inventory of Existing Commercial Chemical Substances) Number: N/A

EC Risk Statements: N/A

Other Country Regulations: N/A

#### 16. Other Information

It is not intended for food, drug, household, agricultural or cosmetic use. A technically qualified individual experienced in handling potentially hazardous chemicals must supervise its use. The above information is believed

to be correct but does not purport to be all inclusive and shall be used only as a guide. Users should make independent decisions regarding completeness of the information based on all sources available. AnaSpec shall not be held liable for any damage resulting from handling or from contact with the above product.
