# Safety Data Sheet (SDS)

Revision Number: 4.0		Last updated	23 July 2019
1. Product and Company Identification	<u>on</u>		
Product Name:	H3R8(Me1	B] - Histone H3 (1 - 21) - K(Bioti ), biotin labeled QT AR(Me)K STG GKA PRK QLA	
Manufacturer/Supplier:	AnaSpec, Inc.  www.anaspec.com  34801 Campus Drive Fremont, CA 94555 Tel: 510-791-9560 Fax: 510-791-9572 Email: service@anaspec.com  Kaneka Eurogentec SA, Rue du Bois Saint Jean 5 4102 Seraing Belgium Tel. +32-4-3727400 Fax. +32-4-3727500 E-mail info@eurogentec.com  Kaneka Eurogentec Helpdesk Tel. +32-4-3727665		
Catalog Number Relevant identified uses of the substance/preparation and uses advised	AS-64607-1 For laborate	ory use only.

protective equipment (PPE) when hand have not been thoroughly investigated.  GHS Hazard Classification: GHS Physical Hazards: Not a d	alling chemicals	dling all chemicals with caution. Use . To our knowledge, the hazards of this in the caution of the caution of the caution. To our knowledge, the hazards of this in the caution of the caution.	material

GHS Hazard Statements: None

GHS Precautionary Statements: None

Potential Health Effects for:

Inhalation: If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give

oxygen. Good hygiene practice requires that exposure be kept to a minimum and that suitable control

measures be used in an occupational setting.

Ingestion: If swallowed, wash out mouth with water provided person is conscious. Call a physician.

Skin: In case of contact, immediately wash skin with soap and copious amount of water.

Eyes: In case of contact, immediately flush eyes with copious amounts of water for at least 15 minutes.

Chronic Exposures: No information available. We recommend limiting prolonged exposure.

Target Organs: No information available

HMIS Classification

Health hazard: 0

Chronic Health Hazard: 0

Flammability: 0
Physical hazards: 0

NFPA Rating

Health hazard: 0

Fire: 0

Reactivity Hazard: 0

## 3. Composition

Ingredients/Components:

Chemical Name: [Arg(Me1)8] - Histone H3 (1 - 21) - K(Biotin), H3R8(Me1), biotin

labeled

H -  $ART\ KQT\ AR(Me)K\ STG\ GKA\ PRK\ QLA\ K(Biotin)$  - NH2

Molecular formula: NA Molecular weight: 2622.2

CAS-No NA EC-No NA

### 4. First Aid Measures

Inhalation:	If dust is inhaled, remove from contaminated area.  Encourage patient to blow nose to ensure clear passage of breathing.
	If irritation or discomfort persists seek medical attention.
Ingestion:	If swallowed do <b>NOT</b> induce vomiting.  If vomiting occurs, lean patient forward or place on left side (head-down position, if possible) to maintain open airway and prevent aspiration.  Observe the patient carefully.  Give water to rinse out mouth, then provide liquid slowly and as much as casualty can comfortably
	drink. Seek medical advice.
Skin:	If skin or hair contact occurs: Flush skin and hair with running water (and soap if available). Seek medical attention in event of irritation.
Eyes:	If this product comes in contact with the eyes: Wash out immediately with fresh running water. Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the eyelids by occasionally lifting the upper and lower lids. If pain persists or recurs seek medical attention.

T	<u>sures</u>	TXX		
Extinguishing media:		Water spray or fog.		
		Alcohol resistant foam.  Dry chemical powder.		
		BCF (where regulations permit).		
		Carbon dioxide		
		Caroon dioxide		
Special firefighting procedures:		Alert Emergency Responders and tell them location and nature of		
		hazard.		
		Wear breathing apparatus plus protective gloves.		
		Prevent, by any means available, spillage from entering drains or water		
		course.		
		Use water delivered as a fine spray to control fire and cool adjacent		
		area.		
		<b>DO NOT</b> approach containers suspected to be hot. Cool fire exposed containers with water spray from a protected location.		
		If safe to do so, remove containers from path of fire.		
		Equipment should be thoroughly decontaminated after use.		
		Equipment should be thoroughly decontainmated after use.		
Unusual fire and explosions hazards:		Emits toxic fumes under fire conditions		
6. Accidental Release				
		nove all ignition sources.		
		all spills immediately.		
		Avoid contact with skin and eyes.  Control personal contact by using protective equipment.		
		ean up procedures and avoid generating dust.		
		suitable, labeled container for waste disposal

Keep container tightly clos	ed in a dry well-ver	ntilated pl	lace. Store in -20 °C, dry refrigerator.		
11. Toxicological Inform	ation_				
RTECS Number			N/A		
Toxicity			No information available.		
Health Hazards			Although ingestion is not thought to produce harmful effects, the material may still be damaging to the		
			health of the individual following ingestion, especially		
			where pre-existing organ (e.g. liver, kidney)		
			damage is evident. In an occupational setting however,		
			ingestion of insignificant quantities is not thought to be		
Potential Hazards			cause for concern.  Not available		
1 очения падагаѕ			INOL AVAILABLE		

Carcinogenicity:	No significant acute toxicological data identified
OSHA Permissible Exposure Limit(PEL) Data	N/A
ACGIH Threshold Limit Values (TLV)	N/A

Reproductive Toxicity: No information available

#### 12. Ecological Information

No information available.

#### 13. Disposal Considerations

All waste must be handled in accordance with local, state and federal regulations. Legislation addressing waste disposal requirements may differ by country, state and/ or territory. Each user must refer to laws operating in their area. In some areas, certain wastes must be tracked.

#### 14. Transport Information

Hazard Class	N/A
Identification Number	N/A
Packing Group	N/A
Proper Shipping Name (DOT)	N/A

## 15. Regulatory Information

California Proposition 65: N/A

US TSCA (Toxic Substance Control Act): N/A

US CERCLA (Comprehensive Environmental Response, Compensation, and Liability Act: N/A

US SARA Title III (Superfund Amendments and Reauthorization Act: N/A

US Other: N/A

EC EINICS (European Inventory of Existing Commercial Chemical Substances) Number: N/A

EC Risk Statements: N/A

Other Country Regulations: N/A

#### 16. Other Information

It is not intended for food, drug, household, agricultural or cosmetic use. A technically qualified individual experienced in handling potentially hazardous chemicals must supervise its use. The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. Users should make independent decisions regarding completeness of the information based on all sources available. AnaSpec shall not be held liable for any damage resulting from handling or from contact with the above product.
